Dear Andrew Evans,

I hope all is well with you today. As we discussed over the phone, your matters set for trial on August 11, 2025 have been dismissed. You will not be required to be present in court tomorrow or next week since the case was dismissed. As we discussed, the State dismissed the case, but the District Attorney informed the court that the case may go federal. Also, the State purports to re-indict the case if the case is not picked up by the Federal government. This information is contained in the Dismissal included herein.

You still have a matter pending in District Court under 23 CR 290867-250. This matter is set in Courtroom 2B on 13 August 2025. You **will not need** to be present on that day. This matter will likely be continued. This is the matter involving a transaction on 18 July 2025. This should be the transaction that Alvin Lyles will be accepting responsibility.

I hope you have a great rest of your day. As always, feel free to contact me if you have any questions or concerns.

Sincerely,

Kevin E. Vidunas, Esq.

Dear Andrew Evans,
I hope all is well with you today. As we discussed over the phone, your matters set for trial on August 11, 2025 have been dismissed. You will not be required to be present in court tomorrow or next week since the case was dismissed. As we discussed, the State dismissed the case, but the District Attorney informed the court that the case may go federal. Also, the State purports to re-indict the case if the case is not picked up by the Federal government. This information is contained in the Dismissal included herein.

You still have a matter pending in District Court under 23 CR 290867-250. This matter is set in Courtroom 2B on 13 August 2025. You **will not need** to be present on that day. This matter will likely be continued. This is the matter involving a transaction on 18 July 2025. This should be the transaction that Alvin Lyles will be accepting responsibility.

I hope you have a great rest of your day. As always, feel free to contact me if you have any questions or concerns.

Sincerely,

Kevin E. Vidunas, Esq.
